Seminar Title: **Watch that Voice:  
Voice Care for Teachers and How the Voice Affects the  
Behavior and Ability of Students of Learn**

Seminar Brief:

As a tool of the teacher's trade, the voice must be healthy and sustainable throughout the working day, week, term and year. Many teachers have difficulties with their voice and have to take time off work with voice-loss and vocal fatigue. Care of the voice is important for the teacher's personal welfare and professional confidence. Moreso, studies reveal that warm and expressive voices, used in an imaginative way, draw pupils in and make them want to pay attention and listen...
